MD CREATIVES ACADEMY KICK OFF THEIR NEW TERM

We were excited to welcome back our current and new students to MD Creatives Academy at the start of September, beginning the new academic year with an exciting week of industry professional guest workshops.

CONGRATULATIONS TOM

Our first MD Creatives Academy student of the week

ADAPTING TO THE CURRENT COVID-19 PANDEMIC

Here at MD Creatives we are working behind the scenes to ensure that we can operate as close to normal during these uncertain times. We are adapting our classes and services to become accessible via online sources, as well as creative tool kits. We are here for support and to help push through these challenging times.

MD Arts Centre *Open Now*

Our Arts Centre provides a safe space for people to further explore and upskill in their creative vocational paths

MD Resource Centre *Coming Soon*

This is all accessible and available to hire for companies and individuals. Our aim is to provide services to meet the community needs

THE DOFORO TECHNIQUE

We are excited to announce and of held our first commercial class

More classes to be announced soon, so make sure to keep an eye out across our social media sites for details
